Workers participation in the Management of NTC

3464. SHRI TARA CHARAN MAJUMDAR:
SHRI PARAG CHALIHA:

Will the Minister of TEXTILES be pleased to state:

(a) whether participating of workers in the management of textile mills under NTC has improved the working of these mills;

(b) if so, the names of such mills, State-wise and Union Territory-wise;

(c) whether Government propose to extend this facility in more textiles mills under NTC during current year;

(d) if so, the details thereof and names of mills of Assam to be covered under this;

(e) whether Government propose to provide participation of mills workers at the level of Board of Directors in NTC; and

(f) if so, the details thereof; and if not, the reasons therefor?

THE MINISTER OF TEXTILES (SHRI R.L. JALAPPA): (a) and (b) The work culture and industrial relations have improved on account of workers' participation which has had a positive impact on the working of mills. However, on account of factors like obsolete machinery, severe working capital crunch, etc., these mills have not been able to improve their overall performance. Out of the 120 mills of NTC, presently workers' participation in the management has been effected in 34 mills. A statement indicating the names of these 84 mills State-wise and Union Territory-wise is attached. *(see below)*.

(c) and (d) Efforts are on to cover the remaining mills of NTC where the progress of workers' participation is slow on account of multiplicity of trade unions and inter-union and intra-union rivalries. So far as the State of Assam is concerned, the scheme of workers' participation has been implemented in Associated Industries (Assam).

(e) and (f) The Board of Directors of NTC and its subsidiaries are constituted as per the Articles of Association and the guidelines issued by the Government. Out of the 9 subsidiary corporations of NTC, NTC (NBAB&O) Ltd. has on its Board of Directors a trade union leader nominated by the Government of West Bengal.
